ALTEC LANSING™

IPOD SPEAKERS

Fill Your Living Room with Sound!

Your iPod is ideal when you're on the go. But when you're hanging around the house, wouldn't it be great to fill the room - any room - with incredible sound? Introducing the Altec Lansing M602 powered audio system. It's the complete package: Striking good looks, plus rich, clear sound from its four custom-designed speakers. What's more, the M602 is surprisingly affordable, so you can still send the kids to college. Just place your iPod into the M602's built-in dock and enjoy.

M602

High-Definition Audio
Digital amplification delivers powerful sound from a compact system.

Clean, Crisp Sound
Four specially engineered full-range neodymium speakers smoothly deliver a full spectrum of pure, distinct sound.

Surprisingly Deep Bass
XdB™ bass-enhancement technology creates deep bass without a subwoofer.

Wireless Remote and Built-in Controls
iPod and speaker functions (play, forward, back, volume, bass, treble, and stand-by) are at your fingertips. Just sit back and enjoy!

Easy to Use
Built-in universal iPod dock allows data transfer and recharges iPod.

Elegant, Wall-mountable Design
Looks great in your living room or mounted on wall.

Composite Video Output for iPod video
Enables you to play your iPod videos on most TVs (cable not included.)

Universal MP3 Cradle
Allows you to place other MP3 players front and center (cable included.)

Headphone Jack
For private listening.
